Dear all,

Thank you very much from bottom of heart for your kind participation to make grand success of 1<sup>st</sup> NADEM CME. We expect your active participation in coming CMEs also.

We would like to invite you to participate in coming 2<sup>nd</sup> NADEM CME on Saturday January 12, 2008. Please give your valuable feedback, comment and suggestion being active participant of this CME so that we could improve our NADEM CME in more standard way.

**We would also like to request to give us your valuable Research Papers, Small study, Emergency Case Report, Disaster and Emergency Activities of the Hospital, Your Days in Emergency, Special incidents during your Emergency duty, and words, poems, story and whatever you want to write regarding Disaster and Emergency in order to publish in coming NADEM NewsHealth. This publication is mostly education base and views of individual life in Emergency that will give new generation to work better ways to develop Disaster and Emergency Medicine in Nepal. We will compile the Emergency case of the month and scientific research papers/articles in NADEM Journal later.**

Once again, thank you very much for your kind cooperation and help.

Sincerely yours,
